Sections of Golf Club

MVGC Management Board recognizes that the Junior Section, Ladies Section, and Senior Section (over 55 years of age) operate within the club. All sections can appoint their own committee to manage and run their section affairs only.

All sections are responsible to the Management Board.

Contact Details – Data Protection

Members are expected to apprise the Club of any changes to their postal address, telephone number, or email address. This is particularly important as the club manages five databases.

BRS System for MVGC

It has been noted that on many occasions members and visitors are entering the golf course with the intention of playing but have not booked a tee time on the BRS system. Entering the golf course for the purpose of playing golf without booking a slot on the BRS system is a Health & Safety issue. All members and visitors are requested to book a tee for the purposes of insurance cover, and that all members can be accounted for in the case of incidents, or if a message has to be conveyed to a member as a matter of urgency (e.g. Family incident).

Booking on the BRS and identifying if the member intends playing 9 or 18 holes allows the management to gauge where on the course individuals may be if a situation arose.

The BRS system assists members to easily identify spaces for a playing group, or for individuals looking for playing partners. Members are easily able to add or extract their names from the BRS system thereby ensuring the system remains up to date. Members do not have to attend the club to identify if there is a space for them to play. Members can use the system online or by phoning the golf shop 01792 845173.

The BRS system is managed by the Golf Shop who will control all play on the golf course:

- Competitions for all golf sections
- Team Matches
- Friendly Matches
- Societies
- Visitors
- Charity Days
- Daily games between members

All tee times must be booked on the BRS system.

Managing entry or removal of names is the responsibility of individual members on the system whether it was booked by the member or on their behalf.

Appropriate Action will be taken against any members:

- Who plays the course without booking a tee time?
- Fail to remove their names from the system if they decide not to play.
- Member found to inappropriately book a slot within a “protected section” tee slot.

Member and his / her playing partners may only reserve one tee time.

Multiple time reservations are not permitted.

Priority is given to members who have booked tee times via the BRS system. Members who turn up without BRS booking must give way to a member(s) who have booked a tee time. Members who have booked on BRS system cannot invite other members to join them if members are waiting by the tee having booked via BRS system.

Entry to Golf Course

All members and visitors must enter the golf course via the ramp from the car park and use the pathway on the old bowling green to enter the course. Entry by the gate in the car park is strictly forbidden.

Exit from the golf course must be via the ramp and pathway on the old bowling green and not via the gate. Exit by the gate is strictly forbidden.

Entry and Exit via the gate are for Hired or Visitors Buggies only.

Any person found entering or exiting via the gate will be spoken to by a board member, If the member is found to continue using entry or exit via the gate they will be asked to meet with the Management Board representatives.

Report to Golf Shop

All members or visitors must report to the golf shop before commencing play. One person from a group is acceptable to inform the shop of the players who are scheduled to play. This is a requirement of H&S rules and MVGC work to with safety as the key.

Use of Different Tee Areas

The tees should be used as follows:

White Markers – Used solely for club competitions, team matches unless otherwise authorized by the Competition, Greens Committee.

Yellow Markers – Used by all Male Members, guests, visitors.

Red Markers – Used by Lady Members, their Lady guests and Lady visitors. Junior members are permitted to use red tees.

Seniors over 80 + years of age with a handicap of 30+ are allowed to use the Red Tees in Senior Competitions played on a Tuesday.

Handicaps

New rules on Handicapping were introduced by Wales Golf using the World Handicap System (WHS) on 2nd November 2020. Full details are available on the Wales Golf Website or contacting the Handicap Committee representatives who are listed on the website and on noticeboards.

All 'away' scores must be returned as soon as possible to the club or by using the away club computer to enter a score card. This enables the new WHS to be accurate with your handicap Index and is kept up to date. A copy of their scorecard showing the gross score should accompany this form to allow for any Rule 19.8 adjustments.

Competition and Handicap rule book are available in the golf shop.

Competitions

All competitions will be held in accordance with the Rules of Golf as stipulated and governed by the Royal & Ancient Golf Club. Local rules approved by the Competition and Handicap Committee will also apply.

Players in club matches and competitions have precedence on both the 1st Tee and 10th Tee and through the green. Members waiting to tee off at the 1st hole must allow players in any official match to play through if requested to do so.

All competition entries must have a competition handicap index to allow playing in all competitions. Qualifying for the competition handicap index is detailed in the club shop or on the noticeboard in reception. Contacting the Competition Secretary will assist any member for clarity.

Slow play – Members should keep up with the players in front; those who do not may be guilty of slow play and should invite the group behind to play through. The Competition and Handicap Committee reserve the right to penalize each player in the offending group of two strokes.

The Starter has the authority to adjust starting times of players to facilitate proper management of the competition. Competitors refusing to co-operate with the Starter will be disqualified from the competition and will be reported to the Competition and Handicap Secretary.

Where a tie exists, unless otherwise stated, winners/qualifiers will be decided based on the better inward half (last 9, 6, 3, then last hole), then better outward half (the first 9, 6, 3, then first hole).

Guests of Members

Members are fully responsible for ensuring their guests conform to all the rules on the Golf Course, entry and exit to the golf course and general behavior while attending the Clubhouse.

Winter Golf

During the winter period on a day that competitions are played the starting point is Hole No 7 and all members and visitors must strictly follow that rule and follow the competition scorecard order. Exception being when all competition players have started, the visitors or members may use hole 9, 10, which will not interfere with the competition entrants.

Etiquette on the Course

JUNIOR NIGHT:

Monday night between 4pm and 6.30pm is recognized as Junior night. Priority is given to the Junior Section.

Members are not permitted to tee off on the 1st tee from 4pm but must tee off on the 10th tee only.

SAFETY NOTICE

No Player/s should play until players in front are out of range.

Tee off rules

All players must strictly adhere to their tee off time as shown on the BRS starter sheet. Please do not tee off before your official start time thus giving ample time and space for the game in front to keep their pace and appropriate space before you.

The exception to this rule is if a tee time gap appears due to failure of the group in front not to turn up or should they not be ready on the tee and your group are ready to play.

Priority on the course

In the absence of special rules Mond Valley GC expects a two-ball match to have precedence of and be entitled to pass any three or four - ball match.

A single player has no standing and should give way to a match of any kind.

Any match playing a whole round is entitled to pass a match playing a shorter round.

All team matches, or club competition matches have priority and must be called through.

If a match fails to keep its pace on the course and loses more than one clear hole to the players in front, it should allow the match following to pass.

Slow play and behavior

Slow play irritates everyone on the golf course. Members should be aware always of their position on the golf course. It is their responsibility to maintain their position on the course and avoid undue delays. Any group that has lost a complete hole on the group ahead should wave through faster groups.

If it is likely that a ball may be lost, unplayable or out of bounds, a provisional ball should be played before going forward. Players searching for a ball should, as soon as they realize the ball will not be quickly found, signal the group behind to play up; they should not wait until the ball has been declared lost after 3 minutes. Play should not continue until it is safe to do so.

A 3 ball should aim to complete a round within three and a half hours (210 minutes); each player in the group is responsible for its pace. In a competition, the Competition & Handicap Committee reserves the right to penalize each player, in any group, that they consider guilty of slow play. If a player or group consistently disregards the requirement to observe the etiquette of the game

during a round, or over a period, the Committee may invoke disciplinary action against that group or player.

Care of the course

Before leaving a bunker, a player should fill up and smooth over all holes and footprints made by him/her.

Restore Divots, Repair Ball-Marks, and Damage by Spikes

All players should ensure that any turf cut or displaced by him / her is replaced at once and firmly pressed down, and that any damage to the putting green made by a ball or spike marks is carefully repaired.

Golf bags and trolleys should always be left at the side of the green and buggies must not encroach on the apron of the green and must adhere to regulations set out in the local rules.

Trollies must not be guided, pushed, or pulled across a tee area.

All directions on the course must be obeyed. Marking of score cards must be done after leaving the green.

Ditches and ponds

Entry to ponds or ditches particularly to retrieve golf balls is not allowed and players do so at their own risk. It is advised that the use of a ball retriever is used by players.

Fertilizers, insecticides and chemical treatments

An announcement will be placed on the noticeboards outside the golf shop advising members and visitors that chemicals have been used to treat the course. Players are reminded to heed the warning and protect themselves by not licking their fingers, golf balls, or golf tees.

Note: All course users MUST wash their hands on leaving the course before entering the bar and catering area.

Dress code

Players are expected to be smartly dressed always, the emphasis being on smart casual dress. No person will be allowed on the course wearing jeans, football / rugby shirts and shorts, vest-type tops or collarless t-shirts, tracksuits, or shell suits. Shorts must be tailored and smart. Round-collared, recognized golf tops are allowed.

Players must wear golf shoes, unless they are under the age of 18 or have some form of disability preventing them from doing so. People under the age of 18 may wear trainers.

Golf Equipment

Members and visitors are not allowed to share a golf bag. Each member or visitor must have their own golf bag and golf clubs whilst playing on the golf course.

Playing groups

The maximum number of members or visitors playing golf on each hole is 4 players. Under no circumstances are more than 4 players to play golf on any hole on the golf course.

Safety

During the summer period the surrounding area particularly alongside the Canal Hole (14th) with both the canal towpath and members of the public out walking, boating on the canal and children who like to enter the golf course.

The Management Board please ask all members and visitors to prioritize Health & Safety when teeing off on the 14th Tee if people are walking on the tow path or boating on the canal, Both members and visitors must be patient with duty of care and ensure all people are out of sight before taking a shot.

With reference to children, which is although frustrating, the Management Board request members not to confront any child and not hit any ball until the area in front is clear.

Phones

Mobile phones, if carried on to the course, must be switched to silence. The mobile is only to be used in case of emergency.

Other Information and Rules for Golfers:

BAG TAGS:

Members must display their Membership bag tags clearly and ensure that their guests are displaying their visitor's ticket.

Abandoned play on the golf course is signaled by the sound of 3 blasts on a klaxon.

PRACTICE:

Practice play is restricted to the practice ground and is strictly forbidden on the course. Players using the practice area must follow the restrictions listed at the practice ground (no long iron or wood can be used). Pitching or chipping to or from the practice putting green is forbidden.

A new chipping area and new driving nets are situated on the practice area in front of the clubhouse. Please be mindful of other players.

SAFETY:

Safety on the course and practice ground is paramount. Golfers should read the course risk assessment document posted on Clubhouse noticeboards and MVGC Ltd website, Safety and warning notices are clearly advertised and placed within the boundaries of the golf course.

GREENS STAFF:

Players should always co-operate with Greens staff to facilitate course maintenance. Whilst the flagstick is removed from a hole, players must not play to that green until the flagstick has been returned to the hole by Greens staff. Members and visitors must be patient when waiting for Greens staff to complete work. The committee takes a zero-tolerance stance with members or visitors who approach greens staff causing arguments or issues on the golf course.

LIABILITY:

Members are reminded that they are solely responsible for the security of their own possessions. Members, guests and visitors are advised that the Club does have Public Liability insurance. Members may, however, wish to take out additional insurance cover.
