Now that many players use Apps on their mobile phones as GPS' and for scoring

### Mobile Phone Policy Usage

purposes, the following policy regarding the use of mobile phones shall apply with immediate effect:

Mobile phones are always permitted on the course and in the Clubhouse, subject to the following conditions:

- Phones must be switched to “silent” mode at all times (including all audible message alerts).
- Phones may not be used on the course at any time in a way that might distract or interfere with the play of others on the course.
- Avoid voice calls to the fullest extent possible, but if absolutely necessary to make or receive a call, then do so in a way that does not distract or interfere with the play of others on the course.
- In the Clubhouse, phones may be used (for any purpose, but Members are asked to leave the Clubhouse in the event they need to take or make a voice call. e. Any Member who is using their phone for games or such similar purpose, must ensure that they do so in a way that does not cause annoyance or disruption to anyone near or around them.

Failure to observe these rules may see a member having these privileges suspended or withdrawn.
